What's Going on in Bel Aire?

New Entry Monuments

Have you noticed the new Bel Aire entry monuments popping up around town? There are currently five monuments that have been put in around the City. You can see them at 37th & Oliver sponsored by an anonymous donor, 37th & Woodlawn, 53rd & Woodlawn sponsored by Catholic Care, 45th & Rock

sponsored by Broadstone Apartments, and 45th & Webb sponsored by Wickham Glass. The City has had wonderful support from local business and organizations helping sponsor these monuments. In the future, we hope to have twelve monuments located throughout the City.

Iron Gate

You may have also noticed the construction taking place around Woodlawn and Central Park Avenue. This will be home to our newest residential development, Iron Gate. The main roads are installed and model homes are under construction right now. One of the model homes is open to the public if you would like to take a peek. For more information on this new development, you can visit their website at www.irongate.com.

Congratulations Barbara Elwell

Barbara Elwell at 4866 North Homestead is the winner of the Beautify Bel Aire campaign for June. Over the year, she has replaced the roof, windows, siding and cement border on her house. She recently made it complete with redoing the landscaping including the front and back yard. All her improvements have really made her home stand out. She will receive a \$50.00 gift card from Tree Top and a sign will be placed in her yard for the month of June.

Have you made improvements to your home? A new winner will be chosen for July so submit your before and after pictures today.

Ruth's HomeWorks Inc. Celebrates 10th Anniversary

The City of Bel Aire would like to congratulate Ruth's HomeWorks Inc. on this major accomplishment and wish them the best for years to come.

**Ruth's
HomeWorks Inc**
The Contractor Referral Network

Established in 2004, Ruth's HomeWorks Inc. has reached a major milestone and celebrated its 10th year being in business. That is big news for any business, especially a local, minority owned, small business in our community. Sarah Ruth, owner and operator, attributes this hallmark event to every client who's contacted her over the years. "Most folks," she says, "once they realize the peace of mind they experience with a Ruth's referral, make sure their grandparents, sisters, brother, neighbors and co-workers know about Ruth's too."

She knows consumers have a lot of power and it couldn't be more evident than now. So she wanted to extend a sincere thank you to everyone who's called on her services and helped spread the word. She says, "We couldn't be here without you. Oh! And of course, I need to thank the craftsmen on my network who work hard every day to earn that trust."

Ruth's HomeWorks Inc. provides a unique service that refers prescreened home repair, remodel, maintenance contractors to homeowners who are ready to hire. Referrals are completely free to homeowners so don't hesitate to contact Ruth HomeWorks today for any of your homes needs.
